

Tu jo kahe din toh, mujhe lage raat...
Bolo ab kaisi hai, yeh shuruat...
Jinke alag ho rashte,
Wo kase chale sath sath...
Hum dono hai alag alag...

Jo tujhko pasand, wo mujhko nahi...
Dekhi hai kabhi aisi jodi kahi...
Main toh udna chahu,
Tujhko pyari lagti hai zameen...

Hum dono hai alag alag...
Manzil apni juda juda...
Rab ne milya jo hum ko...
Toh rab hi dikhaye rashta...

Ha...
Hum dono hai alag alag...
Manzil apni juda juda...
Rab ne milya jo hum ko...
