

Hum hai bechain behad
Hum hai bechain behad

Hum hai bechain behad
Hum hai bechain behad
Tumhe pata nahi hai shayad
Bechaini ki hadh ko paar kar baithe hain
Yeh sach hai hum tumse pyar kar baithe hain
Hum hai bechain behad
Tumhe pata nahi hai shayad
Hum tumse chupke chupke pyar kar baithe hain
Aankhon hi aankhon mein ikaraar kar baithe hain

Tumhari yeh haalat nahi hai abhi
Ke chingari dil ki hai dil mein dabi

Tumhari yeh haalat nahi hai abhi
Ke chingari dil ki hai dil mein dabi
Mera pyar tumko badal daalega
Tumhe meri yaadon mein uljha lega
Dil tum bhi dil hum bhi haarkar baithe hai
Yeh sach hai ham tumse pyar kar baithe hai
Hum hai bechain behad
Tumhe pata nahi hai shayad
Tumhe pata nahi hai shayad

Khayalon se dil yu ulajhane laga
Naya khwab palkon pe sajne laga
Khayalon se dil yu ulajhane laga
Naya khwab palkon pe sajne laga
Tumhari nazar ka asar ho gaya
Pighalne lagi mom banke haya
Rasmon ka aanchal hum utaar kar baithe hai
Aankhon hi aankhon mein ikaraar kar baithe hai
Hum hai bechain behad
Tumhe pata nahi hai shayad
Hum tumse chupke chupke pyar kar baithe hain
Aankhon hi aankhon mein ikaraar kar baithe hain
Hum hai bechain behad.
