

Mujhko tujhko do ginte jo
Unko ginne de yaara
Mujhko tujhko do ginte jo
Unko ginne de yaara
Mujhko tujhko do ginte
Unko ginne de yaara
Are kandha jod ke nikal pade to
Hum hai ek aur ek gyarah
Kandha jod ke nikal pade to
Hum hai ek aur ek gyarah

Teri meri yaari hai are bilkul bilkul
To apni duniya sari hai are bilkul bilkul
Hath na chute sath na chute

Yaar hai apna yaar na ruthe
Chalti jaye baat na tute
Kaun hai phir jo hamko lute
Hum tum dono ek taraf
To phir to phir to phir
Aa jaye ye jag sara
Are kandha jod ke nikal pade to
Hum hai ek aur ek gyarah
Kandha jod ke nikal pade to
Hum hai ek aur ek gyarah

Jo kahna wo karna hai
Ha ji ek dum ek dum
Na rukna hai na darna hai
Ha ji ek dum ek dum
Bol ke jhume jhum ke dole
Raja ho to aankh na khole
Nirbal ho to pyaar se bole
Zalim ho to talwar se tole
Hum tum jisko dhund rahe hai
Are wo are wo are wo
Kaha chupega bechara
Kandha jod ke nikal pade to
Hum hai ek aur ek gyarah
Kandha jod ke nikal pade to
