

Hum hai tumhare tum humare  
Hum jab jab lenge janam sansar mein  
Jiyenge tere hi hoke marenge  
Tere hi pyar mein  
Hum hai tumhare tum humare  
Hum jab jab lenge janam sansar mein  
Jiyenge tere hi hoke marenge  
Tere hi pyar mein

Aakash pe chalta chand dhara pe  
Chalti meri prem kahani re saiya  
O more saiya  
Is yug se kya yug yug se hamari  
Prit purani o sajni prit purani  
Ho mori sajni  
Milan ki madhur ghadi phir se aayi hai  
Aao ye vaada kar le hum  
Jiyenge tere hi hoke marenge  
Tere hi pyar mein

Hum hai tumhare tum humare  
Hum jab jab lenge janam sansar mein  
Jiyenge tere hi hoke marenge  
Tere hi pyar mein

Chahe lakh uthe toofan magar  
Mera saath na chhute  
O saiya saath na chhute ho more saiya  
Ye jag ruthe to ruthe magar  
Mera pyar na ruthe dekho ye  
Pyar na ruthe o mori sajni

Sajan kis dukh sukh ki duniya mein rahkar  
Jiyenge jab tak tum aur hum  
Jiyenge tere hi hoke marenge  
Tere hi pyar mein  
Hum hai tumhare tum humare  
Hum jab jab lenge janam sansar mein  
Jiyenge tere hi hoke marenge  
Tere hi pyar mein.
