

Dekho, ye bhi hai, kudrat ka ek hissa
Jiski kisi panne ke kone ka hai ye kissa
Na hai ispe qaabu koi,
Na hi apne haathon mein ilaaj iska

Par qudrat ki iss harqat pe,
Pehle sochunga, maanu ya na maanu
Mann hi mann mein thoda kosoonga
Ye kyon kya kaise huya,
Ye jo mann mein sawaal aaye,
Unhe main zaroor poochunga
Bhookhi dharti ko kisan aur har insaan ne kosa

Kai ne chilla chilla ke apna gala faada
Kai ne rassi ke fande ko apnaaya
Par hamare gusse aur dard ka ye hai nateeja

Do shabd, dharti, maa
Yahi hum sab tumhe kehte hai na
Maana hum se huyi bahut galtiyaan
Maafi chaahte hai, hum se huyi ye gustaakhiyaan

Bachche hai, galtiyaan toh hongii naa
Hum bachche hai, gustaakhiyaan toh hongii naa
Bachche hai tumhare hi maa

Phir bhi maa tumne bin daante hi,
Seedha haath uthaaya
Par maa ho tum hamari, karti ho pyaar sab se zyada
Kuch soch ke kiya hoga, tumne ye iraada
Ya shayad dekha hoga tumne koi sapna bura
Ki apne bachcho ko seene se laga liya

Khair, ab ye sirf unke liye
Jo hamare saath nahi, tumhari qami mehsoos hogi
Aur ek din phir mulaqat hogi

Tum jahan bhi ho, zara suno
Waada tumse ye kare
Hum hain na, unko gale se lagane ko
Hum hain na, zakhm pe marham lagane ko

Hum hain na, unko phir se hasane ko
Hum hain na, aa..

Jab kabhi bhi, agar kahin bhi gir jao
Ya kabhi bhi, phir kahin bhi dar jao
Bas awaaz do, bas awaaz do
Hum hain na, hum hain na

Hum hain na, unko gale se lagane ko
