

Hum kisi se na kahenge chup chup se rahenge  
Hum kisi se na kahenge chup chup se rahenge  
Zara hamko batado ye baat kya hai  
Zara hamko batado ye baat kya hai  
Nichi nichi ye nigahe thandi thandi aahe  
Chori chori tumhari mulakat kya hai  
Chori chori tumhari mulakat kya hai  
Hum kisi se na kahenge chup chup se rahenge  
Zara hamko batado ye baat kya hai  
Zara hamko batado ye baat kya hai

Abhi abhi to inhe sath liye baithe the  
Hath me hath me koi baat liye baithe the  
Dekha hame to chehre ki rangat badal gayi  
Dekha hame to chehre ki rangat badal gayi  
Arman ke jale pe churi kaise chal gayi  
Arman ke jale pe churi kaise chal gayi  
Zara hamko batado ye baat kya hai  
Zara hamko batado ye baat kya hai  
Tum kahe ghabraye hamko samjh na aaye
