

Tumko mohabat ho gai hamse
Hum ko mohabbat ho gai tumse
Aur tumko mohabat ho gai hamse
Ab to mil jayega woh khazana
Jis ke peeche hai sara zamana
Gulabi galon ka
Na na
Reshmi balon ka
Na na
Gori baaho ka
Na na
Nashili ankho ka
Na na na jiski khatir hua hoon main diwana diwana
Humko mohabbat are tumko mohabat ho gai hamse
Hum ko mohabbat ho gai tumse

Deewane haa
Kis baat ke ho batlao na
Deewane haa bolo
Kis baat ke ho batlao na
Sharmao na kya hai dil me tumhare farmaona na
Pehle jaldi jaldi bahon me aa jao
Phir samja denge hum
Aise na gabrao
Oh kahin ruswa na karde zamana zamana
Tumko mohabat tumko mohabat ho gai hamse
Humko mohabbat ho gai hai tumse

Aji chhodo ruswa toh sabhi hai zamane me
Aji chhodo ruswa toh sabhi hai zamane me
Kuch ayega kuch jayega bhi dil lagane mein
Aane jaane ka ye raaz bhi samja do
Dil me raheke dekho dil ko na tadpao
Dil ka dil me hai aana hai jaana o jaana
Tumko mohabbat humko mohabbat ho gai tumse
Aur humko mohabbat ho gai hai humse.
