

Hum kya hai ye tumne jan liya
Tum kya ho ye humne jan liya
Hum kya hai ye tumne jan liya
Tum kya ho ye humne jan liya
Jaise bichhadi to ruho ne
Ek duje ko pehchan liya
Hum kya hai ye tumne jan liya
Tum kya ho ye humne jan liya

Do saanson ki mit gayi doori
Bhujh gayi man ki pyas adhuri
Do saanson ki mit gayi doori
Bhujh gayi man ki pyas adhuri
Do dosto ki mit gayi doori
Bhujh gayi man ki pyas adhuri
Takdir ne do deewano par
Itna bada ehsan kiya
Hum kya hai ye tumne jan liya
Tum kya ho ye humne jan liya

Yu hi gale se tumko laga ke
Jeena hai sari duniya bhula ke
Yu hi gale se tumko laga ke
Jeena hai sari duniya bhula ke
Yu hi gale se tumko laga ke
Jeena hai sari duniya bhula ke

Yu hi gale se tumko laga ke
Jeena hai sari duniya bhula ke
Ab andhi chale tufan uthe
Jo than liya so than liya
Hum kya hai ye tumne jan liya
Tum kya ho ye humne jan liya.
