

Ham matavale naujavan, manzilo ke ujale
Log kare badanami, kaise ye duniya vale
Kare bhalai ham, bure bane har dam
Is jahan ki, rit nirali
Pyar ko samjhe, hay re hay sitam

Ham matavale naujavan

Ham dhul me lipte sitare,
Ham zarre nahi hai agare
Nadan hai jaha, samajhega kahan
Ham naujavan ke ishare
Jab jab jhum ke nikale ham
Jaan ke pad jaye lale
Log kare badanami, kaise ye duniya vale
Ham matavale naujavan

Ham rote dilo ko hasa de
Dukh dadr ki aag bujhaa de
Bechain nazar, betaab jigar
Ham sabako ko gale se laga le
Ham man mauzi sa hazade
Dukhiyo ke rakhavale
Log kare badanami
Kaise ye duniya vaale
Kare bhalai ham, bure bane har dam
Is jaha ki, rit nirali
Pyar ko samjhe, hay re hay sitam

Ham matavale naujavan, mazilo ke ujale
Log kare badanami, kaise ye duniya vale.
