

Hum nikal pade hosle
Bade pyar ke safar mein
Muskile badi samne
Khadi pyar ke safar mein
Hum nikal pade hosle
Bade pyar ke safar mein
Muskile badi samne
Khadi pyar ke safar mein
Hum rahi anjane manzil ke diwane
Hum rahi anjane manzil ke diwane

Mousam begane hai begane raste
Khusiya churale hum sapno ke waste
Mousam begane hai begane raste
Khusiya churale hum sapno ke waste
Kya nazare hai kya jawani hai
Josh mein apni jindgani hai
Denge har imtiha, imtiha
Hum nikal pade hosle
Bade pyar ke safar mein
Muskile badi samne
Khadi pyar ke safar mein
Hum rahi anjane manzil ke diwane
Hum rahi anjane manzil ke diwane

Rahi wahi hai jo na baithe har ke
Jina hame hai daman mein yar ke
Rahi wahi hai jo na baithe har ke
Jina hame hai daman mein yar ke

Chand taro ko tod layenge
Asmano ko ham jhukayenge
Apne irade jawa, hai jawa
Hum nikal pade hosle
Bade pyar ke safar mein
Muskile badi samne
Khadi pyar ke safar mein
Hum rahi anjane manzil ke diwane
Hum rahi anjane manzil ke diwane.
