

Apna nahi par apna lage jane kaisa ye raz hai
Haste hai lab rota hai dil
Jine ka ye bhi andaz hai
Girti sambhalti jhumti ka nam jindagi hai
Gum or khushi ke bich me
Chalti ka nam jindagi hai

Kya hai galat kya hai sahi
Kaisa nasha ye kaisa garur
Joshe junun rishte khun
Koi bataye kaise huzur
Jani anjani bhul ki galti ka nam jindagi hai
Gum or khushi ke bich me
Chalti ka nam jindagi hai

Ladte hai kyu aapas me hum
Nadani hai ye diwanapan
Sohrat rahe na daulat rahegi
Jayenge sab hi odhe kafan
Patjhad me or bahar me
Khilti ka nam jindagi hai
Gum or khushi ke bich me
Chalti ka nam jindagi hai.
