

Tera balkhana haiya haiya haiya
Haiya haiya haiya
Bedha ye tere hawale
O upar wale
Tu hi majhdar me dale
Hamko de sahare
Dil me hai toofan
Dil me hai toofan
Hotho pe jaan hai
O mere mali bol kaha hai
Bedha ye tere hawale
O upar wale
Tu hi majhdar me dale
Hamko de sahare

Yaad aati hai dur ye kinare
Jaise andhere me koi pukare
Aas ke tare tute tare
O uthti hai mauje
Chup aasman hai
O more majhi bol kaha hai
Bedha ye tere hawale
O upar wale

Aankho me aankhu teri nishani
Aankho me aankhu teri nishani
Kaise kahu mai dil ki kahani
Dil ki kahani hai tofani
O khud hi samjh le
O khud hi samjh le
Tu mera khuda hia
