

Koyi bhi hamasa nahi yahaan, jamin ho chaahe ho woh aasmaan
Kisi ki parwaah hamein kahaan
Hamse hai yeh jahaan, hamse hai yeh jahaan
Kisi ke aage bhi hum naa jhuke, yeh toh hai sabako pata
Tufaan bhi aaye toh hum na ruke, apani toh aisi ada
Koyi bhi hamasa nahi yahaan, jamin ho chaahe ho woh aasmaan
Kisi ki parwaah hamein kahaan
Hamse hai yeh jahaan, hamse hai yeh jahaan

Bhara hausalon se dil chhupa josh aankhon mein
Hamein na gino sab mein hai hum ek laakhon mein
Yeh jo jamaana hai apna deewaana hai
Isane bhi maana hai hum mein hai dum
Duniya ki raahon pe hum na chale, apna juda raasta
Tufaan bhi aaye toh hum na ruke, apani toh aisi ada
Koyi bhi hamasa nahi yahaan, jamin ho chaahe ho woh aasmaan
Kisi ki parwaah hamein kahaan
Hamse hai yeh jahaan, hamse hai yeh jahaan

Yahaan jo bhi chaaha hai wahin hamane paaya hai
Hai jo kaam mushkil toh woh karake dikyaaya hai
Yahaan se wahaan tak, wahaan se yahaan tak
Haan dekho jahaan tak hai hum hi hum
Saare jahaan pe ai dosto chhaaya hai apna nasha
Tufaan bhi aaye toh hum na ruke, apani toh aisi ada

Koyi bhi hamasa nahi yahaan, jamin ho chaahe ho woh aasmaan
Kisi ki parwaah hamein kahaan
Hamse hai yeh jahaan, hamse hai yeh jahaan
Koyi bhi hamasa nahi yahaan, jamin ho chaahe ho woh aasmaan
Kisi ki parwaah hamein kahaan
Hamse hai yeh jahaan, hamse hai yeh jahaan.
