

Hum tham gaye hai teri aankhose
Tham gaye sab in nigaaho me
Naa mile ab is khudai
Me ek pari teri jaise re
Aao bhi ab paas aane do ha ha dilnashi
Janam sabhi badal gaye o
Sambhal gaye ye jannat ki baaho me
Sam gaye jaane ye tumse
Nayi nayi jakham tale gujar
Gaye ye sangam ki raaho me
Khul gaye jaane ye tumse

Khubsurat teri baaho me teri
Baaho me thak gaya dil
Jagmagane se khushnasibi hai meri
Ab to hai abhi saath sathi jo
Aao bhi ab paas aane do ha ha dilnashi
Janam sabhi badal gaye o sambhal
Gaye ye jannat ki baaho me
Sam gaye jaane ye tumse
Nayi nayi jakham tale gujar
Gaye ye sangam ki raaho me
Khul gaye jaane ye tumse

Dilnashi ho
Janam sabhi badal gaye o sambhal
Gaye ye jannat ki baaho me
Sam gaye jaane ye tumse
Nayi nayi jakham tale gujar
Gaye ye sangam ki raaho me
Khul gaye jaane ye tumse
Janam sabhi badal gaye o sambhal
Gaye ye jannat ki baaho me
Sam gaye jaane ye tumse
