Ye karishma to dekho nasib ka
Dekho nasib ka unse nikla hai
Rishta karib ka dekho karib ka
Ye karishma to dekho nasib ka
Nasib ka unse nikla hai
Rishta karib ka karib ka
Ye karishma to dekho nasib ka
Unse nikla hai rishta karib ka
Jinke ghar hum kayam karte hai
Jinke ghar hum kayam karte hai

Hum abhi intzam karte hai
Hum abhi intzam karte hai
Khel ulta tamam karte hai
Khel ulta tamam tamam karte hai
Hum abhi intzam karte hai

Aisa mauka to
Milta hai kabhi kabhi
He ji kabhi kabhi
Inki khatir tawajo
To karde abhi abhi
Ha ji abhi abhi

Bada hi fayda hame
Hua hai aaj mahfil se
Jinhe hum dhundhte fir te hai

Aaj aaye hai mushkil se
Aisa mauka to
Milta hai kabhi kabhi
Inki khatir tawajo
To karde abhi abhi
Inke jalwo ko aam karte hai
Inke jalwo ko aam karte hai

Hum dar ke mare salam
Salam karte hai karte hai
Wo akad ke akad ke
Salam salam karte hai karte hai
Fir bhi so so salam karte hai

Ye mulakat koi nayi nahi
Ha ji nayi nahi mil hi jate hai
Aksar kahi na kahi
Wo hamara hi kam karte hai
Wo hamara hi kam karte hai
Hum abhi intzam karte hai

Humse izzat mili
Hamse sohrat mili
Hamse sohrat mili
Nokri inko apni badolat mili
Hamko pakda ke naam karte hai
Hamko pakda ke naam karte hai
Aji naam karte hai
Hum abhi intzam karte hai
Hum abhi intzam karte hai

Hum dar ke mare salam
Salam karte hai karte hai
Wo akad ke akad ke
Salam salam karte hai karte hai
Hum to yuhi salam karte hai
Hum to yuhi salam karte hai.
