

Ham tum ham tum gumsum gumsum
Jage jage soye soye, betabee me khoye khoye
Chhod ke sare jahan ko aaye kaha
Ham tum ham tum gumsum gumsum
Jage jage soye soye, betabee me khoye khoye
Chhod ke sare jahan ko aaye kaha

Khabo me khayalo me hai manjar jawan jawan

Tu hee tu woh jane ja nigaho ke darmiya
Ham tum ham tum gumsum gumsum
Jage jage soye soye, betabee me khoye khoye
Chhod ke sare jahan ko aaye kaha

Aaho me, panaho me chhupee hai betabiya
Milake bhee lage hai yu kate naa tanahaiya
Ham tum ham tum gumsum gumsum
Jage jage soye soye, betabee me khoye khoye
Chhod ke sare jahan ko aaye kaha.
