

Hum tum milke bichhad jaye na
Ha hum tum milke bichhad jaye na
Dil darta hai mera
Kyu na dono ek jan ho jaye
Kyu na dono ek jan ho jaye
Ji karta hai mera
Hum tum milke bichhad jaye na
Dil darta hai mera

Kitna hasi hota hai jadu is pyar ka
Ha isi bahar ka mujhko intezar tha
Halka halka ja meri
Mujhe bhi hai khumar sa

Jeena sang tere phere
Leke sang tere tere ab
Jaldi se le hota nahi intezar ab
Pal pal pal pal palko pe rahta hai
Tere khwabo ka dera
Hum tum milke bichhad jaye na
Dil darta hai mera
Kyu na dono ke jan ho jaye
Ji karta hai mera

Baithe baithe aati hai
Dil se sadaye
Kaisi sadaye kaisi sadaye
Sine se lagke sun dhadkan sunaye
Yahi to sunungi meri jan
Umar sari ab
Hogi badi khub teri meri zindgani ab
Hai yakin hai yakin mujhko pura hoga hi
Ab har sapna mera
Hum tum milke bichhad jaye na
Dil darta hai mera
Kyu na dono ek jan ho jaye
Jee karta hai mera.
