

Hum tum tum hum hum tum
Hum tum ek nadi ke hai do kinare
Hum tum tum hum hum tum

Kaise milenge pritam ho pyare
Hum tum tum hum hum tum

Aise milenge ke dekhenge sare
Hum tum tum hum hum tum

Dur kya hai pas kya hai
Sun lo jivan sathi
Aar par bahti dhar
Hamko hai milati
Dur kya hai pas kya hai
Sun lo jivan sathi
Aar par bahti dhar
Hamko hai milati
Jivan hai jabse na jane kabse
Jivan hai jabse na jane kabse
Hum hai tumhare tum ho hamare
Hum tum tum hum hum tum
Aise milenge ke dekhenge sare
Hum tum tum hum hum tum

Man lete hai ke chalo
Tumne ye kaha hai
Dil magar hamara
Jane kyu dhadak raha hai
Man lete hai ke chalo
Tumne ye kaha hai
Dil magar hamara
Jane kyu dhadak raha hai
