

Hum tumse mohabbat kar baithe
Ab dil se bhulana muskil hai
Hasti ka mitana aasan hai
Chahat ka mitana mushkil hai

Aandhi hoke ab tufan uthe
Ulfat me na himmat harenge
Aandhi hoke ab tufan uthe
Ulfat me na himmat harenge
Ulfat me na himmat harenge
Aaye hai tumhari rah me ham
Ab laut ke jana mushkil hai
Hum tumse mohabbat kar baithe
Ab dil se bhulana muskil hai

Agar koi hamko sahara na dega
Agar koi hamko sahara na dega
Bata aye jamane kidhar jayenge hum
Ye dunia agar hamse nafrat karegi
Ye dunia agar hamse nafrat karegi
Yaki hai ke ghut ghut ke mar jayenge hum
Agar koi hamko sahara na dega

Are o mohabbat ko thukrane walo
Hame bhi jine ka hak hai jaha me
Are o mohabbat ko thukrane walo
Hame bhi jine ka hak hai jaha me
Hame bhi jine ka hak hai jaha me
Agar tumne raho me karte bichaye
Agar tumne raho me karte bichaye
To is jindagi se gujar jayenge hum
Agar koi hamko sahara na dega
Agar koi hamko sahara na dega
Bata aye jamane kidhar jayenge hum
Agar koi hamko sahara na dega
Agar koi hamko sahara na dega
Agar koi hamko sahara na dega.
