

Hamase to achchhi teri payal gori
Ki bar bar tera badan chume
Ki bar bar tera badan chume
Khota hai man tera papi sajan
Nazariya se mora badan chume
Nazariya se mora badan chume
Hamase to achchhi teri payal gori
Ki bar bar tera badan chume
Ki bar bar tera badan chume

Soch ke mujhako hath lagana
Soch ke mujhako hath lagana
Shola hun main jal nahin jana
Kaise kahun jabase huwa
Tera mera samana
Dil ne kaha bina piye
Main to gira thamana
Main vo kunvari kali hun balam
Ki dar dar ke jisako pavan chume
Ki dar dar ke aa
Ki dar dar ke jisako pavan chume
Hamase to achchhi teri payal gori
Ki bar bar tera badan chume
Ki bar bar tera badan chume

Nach ri itana thak jaye payal
Nach ri itana thak jaye payal
Hamara karejava ho jaye ghayal
Meri dagar rakhiyo chhaila

Kadam dekh bhal ke
Le na jaye meri nazar
Dil tera nikal ke
Hay galon ki lali khil khil uthe
Jo ek bar mukhada sajan chume
Jo ek bar hay..
Jo ek bar mukhada sajan chume
Khota hai man tera papi sajan
Nazariya se mora badan chume
Nazariya se mora badan chume.
