

Raaten gayi baatein  
Gayi jo bhi hua bhool jaa  
Ab tu naye parivesh mein  
Duniya nayi phir basa  
Sooraj naya nikale agar  
Aasaan ho uska safar  
Kaate teri vaaris jise  
Wo fasalen bo sakta hai  
Aur tujhase kuch ho na  
Ho ye tujhase ho sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile

Aaj ham hain kal ham nahi  
Kal kuch bhi ho sakta hai  
Pyaar de pyaar le ye ek  
Daulat hai tu sabko de sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Aur tujhase kuch ho na  
Ho ye tujhase ho sakta hai  
Hamba lila hamba lilo hamba lile  
Chukuma tukuma tukuma  
Chukuma chukuma chile  
Hamba lila hamba lilo hamba lile

Sach kah raha hai aye  
Bekhabar kar le mera aitbaar  
Ye zindagi nemat khuda  
Ki milti hai bas ek baar  
Yoon hi ise khona nahi  
Phir baad mein rona nahi

Saansen teri hain ik ladi  
In ko piro sakata hai

BHARAT  
lyrics

Aur tujhase kuch ho na  
 Ho ye tujhase ho sakta hai  
 Hamba lila hamba lilo hamba lile  
 Chukuma tukuma tukuma  
 Chukuma chukuma chile  
 Aaj ham hain kal ham nahi  
 Kal kuch bhi ho sakta hai

Bangalo mein hai mahalon  
 Mein hai par neend aati nahi  
 Daulat ka ik saagar  
 Mila par pyaas jaati nahi  
 Bhookha hai jo badanaam  
 Hai santosh mein aaraam hai  
 Gar chain ho dil mein  
 Tere dharti pe so sakta hai  
 Aur tujhase kuch ho na  
 Ho ye tujhase ho sakta hai  
 Hamba lila hamba lilo hamba lile  
 Chukuma tukuma tukuma  
 Chukuma chukuma chile  
 Aaj ham hain kal ham nahi  
 Kal kuch bhi ho sakta hai

Ye aadmi us aadmi  
 Jaisa nahi hai to kya  
 Are kuch karne ki taaqat  
 To hai paisa nahi hai to kya  
 Jisne kaha sach hi kaha  
 Ye vaqt na ik sa raha  
 Kismat kahe mehnat se  
 Tu har daag dho sakta hai  
 Aur tujhase kuch ho na  
 Ho ye tujhase ho sakta hai  
 Hamba lila hamba lilo hamba lile  
 Chukuma tukuma tukuma  
 Chukuma chukuma chile  
 Aaj ham hain kal ham nahi  
 Kal kuch bhi ho sakta hai.
