---

Okay unat unri [kaal  
I love that bro

Ho allhadan de pichhe marde nahi lad-lad ke  
Druman aale magazine rakhde aan bhar ke  
Jaake youtube dekh kal di news dekh  
Kaand main [anada karaan pind hunde charche

Tere sheher ch jo gundeyan da shor ni  
Saanu vekh change kar lainde tor ni  
Saale pith te maarde lalkaare face te fumble karde

Dabban naa lagge mutiyare vairi nu humble karde  
Dabban naa lagge mutiyare vairi nu humble karde

Gal tak jor laa leya bathereyan ne  
Taan vi jhukdi na dhaun ni  
All bark no bite kamm vairiyan da  
Jatt bakre bulaun ni

Oh kaarobaar unicily muhaan te chaadhi chhikli  
Black money aithon karaan baapu nu Remitly  
Labhde aan cop gaddi kaali droptop  
Challe on run gabhru [hicago kade italy

Dand maar-maar chhaatiyan phalaun de  
Bhaide shauk kutton phad ke manaun de  
Sheraan jehe jatt mutiyare maut naal dangal karde

Dabban naa lagge mutiyare vairi nu humble karde  
Dabban naa lagge mutiyare vairi nu humble karde  
Dabban naa lagge mutiyare vairi nu humble karde

Yaar saare haq laine mere [aidon wangu  
Te tu mel khaandi Heer na  
Dass kitthon right seat te bithaavaan billo  
Gaddi laddi hoi mundeer naa

Tu baggi-baggi tittri kamado haje nikli  
NI sambhal ke chal teri age aa slippery  
Saanu taan kare horny rifle 12 bore di  
Te ☐☐ an nu kare tere face di symmetry

Ho munda unangheyan da lagge na kataar ch  
Gharon kaddhe kadon painde aan pyaar ch  
Vekh ke kokeyan de lishkaare asi nahi Bumble karde

Dabban naa lagge mutiyare vairi nu humble karde  
Dabban naa lagge mutiyare vairi nu humble karde

Uh sun
