

Maahi maahi motiyaan waala  
Mera sona dachiyaaan waala  
Maahi maahi motiyaan waala  
Maahi maahi motiyaan waala

Humein jabse mohabbat ho gayi hai  
Ye duniya khoobsoorat ho gayi hai  
Humein jabse mohabbat ho gayi hai  
Ye duniya khoobsoorat ho gayi hai  
Humein jabse mohabbat ho gayi hai

Fizaaon mein nayi ek roshni hai  
Havaaon mein aab si taazgi hai  
Tum is vadee mein mujhse mil rahi ho  
Zameen lagta hai jaise ga rahi hai  
Nayi rut ki mahoorat ho gayi hai  
Ye duniya khoobsoorat ho gayi hai  
Humein jabse mohabbat ho gayi hai

Hai lipti dhund mein dilkash nazaare

Nadi khaamosh hai chup hain kinaare  
Hai ek chhoti si kashti aur hum hain  
Chale jaate hain lehren ke sahaare  
Suhaani ab lo sangat ho gayi hai  
Ye duniya khoobsoorat ho gayi hai

Humein jabse mohabbat ho gayi hai  
Ye duniya khoobsoorat ho gayi hai  
Humein jabse mohabbat ho gayi hai

Maahi maahi motiyaan waala  
Mera sona dachiyaaan waala  
Maahi maahi motiyaan waala  
Maahi maahi motiyaan waala.
