Pyar ham kya kare
Hame tumse hua hai

Pyar ham kya kare aap
Hi bataye ham kya kare
Aap se bhi hasin hain aap ki
Yeh adaaye ham iss
Ada pe kyun naa mare
Hame tumse hua hai
Pyar ham kya kare
Hame tumse hua
Hai pyar ham kya kare
Aap hi bataye ham kya kare
Aap se bhi hasin hain
Aap ki yeh adaaye ham
Iss ada pe kyun naa mare
Hame tumse hua hai pyar ham
Kya kare aap hi bataye ham kya kare

Bas ham tumhe dekha kare
Baithi raho aaghosh men
Aisi bhi kya diwangi bilkul
Nahi ho tum hosh men
Janeman janejana
Chhodiye bhi satana ham
Iss jalan men kab tak jale
Tumhe hamase hua hai
Pyar ham kya kare
Aap hi bataye ham kya kare
Hame tumse hua
Hai pyar ham kya kare
Aap hi bataye ham kya kare

Kahne lagi bechainiya abb
Dooriyaan hai mushkil badi
Panchhi piya pardesiya kaise
Jiye ham abb yeh ghadi
Aap se aarju hai aap se zindgi hai
Aap ke bina ham kaise rahe

Hame tumse hua hai pyar ham
Kya kare aap hi bataye ham kya kare
Hame tumse hua hai pyar ham
Kya kare aap hi bataye ham kya kare.
