

Hamko hone laga hai pyar tumpe
Hamko hone laga hai pyar tumpe
Ooi amma ooi amma ooi amma ooi amma
Dil ko aane laga karar tumse
Dil ko aane laga karar tumse
Priyatma priyatma priyatma priyatma

Hue jate hai hum to diwane
Ho chede aankho ne teri afsane
Hue jate hai hum to diwane
Ho chede aankho ne teri afsane
Kiya jadu ye teri ada ne wafa ne
Bhawre bhi ban gaye parwane
Mere dil ne pukara
Mere dil ne pukara
Kya kya kya
Hamko hone laga hai pyar tumpe
Ooi amma ooi amma ooi amma ooi amma

Apne kadmo ko bosa hi dede
Ham kab se baithe hai teri raho me
Apne kadmo ko bosa hi dede
Ham kab se baithe hai teri raho me
Kahu kaise machalne laga hai
Ye dil bhi aane ko teri baho me
Mere dil ne pukara
Mere dil ne pukara kya kya kya
Dil ko aane laga karar tumse
Priyatma priyatma priyatma priyatma

Tanhayi jab dil me ghir aaye
Tab jana hum bhi hai tere saudai
Tanhayi jab dil me ghir aaye
Tab jana hum bhi hai tere saudai
Hum tumse tum humse ho raji
To bolo ab bajegi kab sahnayi
Mere dil ne pukara
Mere dil ne pukara kya kya kya
Kya kya kya
Hamko hone laga hai pyar tumpe

Ooi amma ooi amma ooi amma ooi amma
Dil ko aane laga karar tumse
Priyatma priyatma priyatma priyatma.
