

Humne dekha hai tumhein  
Humne dekha hai tumhein  
Aisa guman hota hai  
Humne dekha hai tumhein  
Aisa guman hota hai  
Aankh milatee hai toh  
Kyon dard jawan hota hai  
Hamne dekha hai

Aisa lagata hai kee  
Hamdam mera wapas aaya  
Mere jivan pe muhabbat ka  
Nasha sa chhaya  
Dil mein chalane laga  
Phir husn ka roshan saya  
Humne dekha hai tumhein

Jane kyon mera dil  
Kadmo pe jhuk jata hai  
Koyee bichhada huwa sathee  
Mujhe yaad aata hai  
Yeh milan pyar bhara  
Kisliye tadpata hai  
Humne dekha hai tumhein

Aaj sadiyon kee mulakat  
Nikal aayee hai  
Aaj sadiyon kee mulakat  
Nikal aayee hai

Jaise tufan se barat  
Nikal aayee hai  
Dil mein rehatee thee  
Woh hee baat nikal aayee hai  
Humne dekha hai tumhein  
Aisa guman hota hai  
Aankh milatee hai toh  
Kyon dard jawan hota hai.
