

Humne unko pehchan liya
Humne unko pehchan liya
Jo aksar khwab me aate hain
Jo aksar khwab me aate hain

Paigam nigaaho se dekar
Ik jadu sa kar jate jate hain
Ik jadu sa kar jate jate hain
Humne unko pehchan liya

Wo samne hain hum samne hain
Wo samne hain hum samne hain
Is dil ki halat kya kahiye
Is dil ki halat kya kahiye
Bas dekhte hain unki janib
As dekhte hain unki janib
Kuch kahte hum sarmaate hain
Kuch kahte hum sarmaate hain
Humne unko pehchan liya
Jo aksar khwab me aate hain
Humne unko pehchan liya

Aksar ye hua khamoshi bhi
Aksar ye hua khamoshi bhi
Chahat ki jubaa ban jati hai
Chahat ki jubaa ban jati hai
Ye lagta hai ki mere liye
Ye lagta hai ki mere liye
Aankho se gazal wo gate hain
Aankho se gazal wo gate hain
Humne unko pehchan liya
Jo aksar khwab me aate hain
Humne unko pehchan liya

Unse kurbat kis dar ja hui
Unse kurbat kis dar ja hui
Hum unme samay ho jaise
Hum unme samay ho jaise
Baaho me leke wo humko

Baaho me leke wo humko
Bikhri zulfein suljhate hain
Bikhri zulfein suljhate hain
Humne unko pehchan liya
Jo aksar khwab me aate hain
Humne unko pehchan liya
Humne unko pehchan liya.
