

Humsafar Song Lyrics

Adhemito hatatthugaa
Naa vaikarantha maarenaa
Ami thumi annattuga
Nenekkadunna vaade
Mundhugaa vachenaa
Allare chesenaa

Antha easy gaa spandhinchani
Naa gundeloki nerugaa
Thanokkade vachhaadule
Prapanchame marintha
Andhame aayena gantako teerunaa

Naaku nenugaaka
Chaala ishtamainavaada
Leka nannu daati kooda
Prema chooputhondhaa thedaa

Moonlone thele neelaa
Inthintha gammatthela
Preme kadharaa

Ento odinchaavulaa
Choose pratheedhi neelaa
Touch chesi pilusthunna
Maaye idhiraa
