

Humse jo churaiye humko hi,
Usko hi kehte hai tanhai,
You should know by now
You should know by now

Jaisi bhi hume yeh milti hai,
Zindagi hai hamari parchayee,
You should know by now
You should know by now
You should know by now

Jisse bhi mila hai,
Ya jisse naa mila hai,
Usse bhi gila hai,

Haan kisse kya pata

Usse kya chahiye,

Hey hey hey hey...

Have the heart to say jo chahiye,

Chahiye jo chahiye, maangiye,

Jo maangiye nahi wo paaiye,

Wo paaiye nahi jo chahiye,

Hey hey hey hey...

Have the heart to say jo chahiye,

Chahiye jo chahiye, maangiye,

Jo maangiye nahi wo paaiye,

Wo paaiye nahi jo chahiye,

Hey hey hey hey...

Sajaye hai bulaaye hai,

Kya lamhe ganwaye hai,

You should know by now

You should know by now

You should know by now

You should know by now

Zindagi hai, khaas lamho ka,

Chand lamho ka,

Lamhein magar kahan se laaiye,

Kaise kho gaye kahan bulaaiye,

Kisi ke ho gaye chura ke laaiye,

Phir sabhi lamhe wahi to chahiye,

Hey hey hey hey...
Have the heart to say jo chahiye,
Chahiye jo chahiye, maangiye,
Jo maangiye nahi wo paaiye,
Wo paaiye nahi jo chahiye,
Hey hey hey hey...
Have the heart to say jo chahiye,
Chahiye jo chahiye, maangiye,
Jo maangiye nahi wo paaiye,
Wo paaiye nahi jo chahiye,
Hey hey hey hey...
