

Ghar se main nikla huwa, jana begani jameen
Sabko nashiste mili safar yun chalta raha
Apana hai kaun yaha, sabko hai apani padi
Main hi bechara raha, koyi na manjil meri
Hangaami haalaat, hangaami haalaat
Hangaami haalaat, hangaami haalaat

Kaisa jamana hai yeh, daulat he sab kuch bani hai
Jhagda kisi baat ka, taaqad hai bas yeh meri hai
Bhule hain sab hashrr ko, ti soch ki ghadi
Duniya hai usako mili, usase najar jis ki phiri
Hangaami haalaat, hangaami haalaat
Hangaami haalaat, hangaami haalaat

Kab tak sametunga, kab talak behlaaunga
Dil ki mein jyot ko kaise jalaunga
Kis ka hai saath yaha, kaun jakhm bhare
Yeh josh hai yu rawa, tum jo gar sang chale
Hangaami haalaat, hangaami haalaat
Hangaami haalaat, hangaami haalaat.
