

I am a bad boy Hey o
I am a rude boy Hey o
I am a bad boy Hey o
I am a rude boy
Aare iss dil ko yaar behala re
Kuchh pike hosh behaka re, kuchh karle josh mein
Aare khud kona aise tarasa re
Masti mein mast ho ja re kuchh karle josh mein
Every body say boom Shake ur ah over here gal
Boom Put ur hands on here gal
Boom Shake ur ah Over here gal ah ah ah
Boom Shake ur ah Over here gal
Boom Put ur hands on here gal
Boom Shake ur ah Over here gal
Aaja nachle nach mere naal ve, aaja sunle bajdiye taal ve
Aaja nachle nach mere naal ve, aaja sunle bajdiye taal ve
I am bad boy, i am rude boy
I am bad boy, i am rude boy

Jite hai apne hi dum pe harpal hum yahaan
Duniyaan se thoda alag he apna yeh jahaan
Make a life and make it worth tats wat we got to do now
Keep the faith in the work we do, make it all come true
Aare dum ki bhi aankh dikhalare

Come on baby girl
Let me get closer baby

Let me take u down close

Let me feel u now Oh ya

Hamne toh khud hi likhi hai apni dasta
To beleive in wat u want and wat u want to be
Take ur hands upto the sky and let urself go free
