

Intezaar is testing me
Intezaar is strolling me
Intezaar is turning me round
Bequarrar is pinching me
Bequarrar is moving me
Bequarrar is taking me down

Take a look at taqdeer
Turn around my taqdeer
Oh rabba take me take me home,
I am a musafir
Making up the tasveer
Do we get the tasveer
Oh rabba get me get me home,
I am a musafir...

Take a look at taqdeer
Turn around my taqdeer
Oh rabba take me take me home,
I am a musafir
Making up the tasveer
Do we get the tasveer
Oh rabba get me get me home,
I am a musafir...

I am flowing flowing
I am falling falling
I am drowining to something true

I am turning turning
I am running running
I am flowing to the truth

Hoshiya is pushing me
Hoshiya is pulling me
Hoshiya is taking me down
Hoshiya is belling me
Hoshiya is filling me
Hoshiya is taking me now

I am flowing flowing

I am falling falling
I am trying to something true
I am turning turning
I am running running
I am flowing to the truth
