

Bad bad, i am bad so bad
Don't mess with me boy
You are not so hot and
I don't wanna be your toy

O baaton ke shehzade,
Sun baat meri tu ab aake
Iss shehar ke number baaz kayi,
Mujhe dekh ke pehle bhi baaghe
I am bad so bad
Don't mess with me boy
You are not so hot and
I don't wanna be your toy

Tum heer bhi ho tum hoor bhi ho,
Par kya meri mehboob hi ho
Waise bure hum bhi nahin hai
Kuch kum bhi nahin hai
Zara dekh idar to le
Waise bure hum bhi nahin hai
Kuch kum bhi nahin hai
Zara dekh idar to le
I am bad so bad
Don't mess with me boy
You are not so hot and
I don't wanna be your toy

Lean mean machine they
Say, i'm one of a kind
You have better be hot or real big shot
If you wanna be blowing my mind
You are not the kind of guy for me

Maa ne jis pal dekh liya tujhko,
Dil tab se bada beemar lagey mujhko
Teri chahat ka beemar hai
Isse tumse behat pyaar hai
You are not the kind of guy for me

Shehar ke ladke cheez bade
Hai dil ke mareez bade

Dekho haath paayon ye jod ke
Khade rehte gali ke mod pe ye

Hey you haan tu, you talking to me
You'r not my kind don't try to
Make your moves on me

Waise bure hum bhi nahin hai
Kuch kum bhi nahin hai
Zara dekh idar to le
Waise bure hum bhi nahin hai
Kuch kum bhi nahin hai
Zara dekh idar to le
Gali muhalla yaad nahin mujhko,
Bhool gaya sab dekha jo tujhko
Bas itna rakhta yaad hoon,
Tu shiri main farhad hoon

Hey you haan tu, you talking to me

Waise bure hum bhi nahin hai
Kuch kum bhi nahin hai
Zara dekh idar to le
You are not so hot
Waise bure hum bhi nahin hai
Kuch kum bhi nahin hai zara
I don't wanna be your toy you'r stupid.
