

Aankhein hain, tere sapane hain
Saansein hain, teri khushabu hain
Mehsus karata hoon main,
Chal phirke inn khvaabon se
Ek din meri baahon mein aaogi
Because i am falling in love with you,
Because i am crazy about you
Yes i am falling in love with you,
Yes i am crazy about you
Because i am falling in love with you,
Because i am crazy about you
Yes i am falling in love with you,
Yes i am crazy about you

Aankhein hain, tere sapane hain
Saansein hain, teri khushabu hain
Ho mehsus karata hoon main,
Chal phirke inn khvaabon se
Ek din meri baahon mein aaogi
Because i am falling in love with you,
Because i am crazy about you
Yes i am falling in love with you,
Yes i am crazy about you
Because i am falling in love with you,
Because i am crazy about you

Yes i am falling in love with you,
Yes i am crazy about you

Teri ada jaana mujhe lage sabse juda
Palake jhukaati hai bada sharmaati hai
Bolu main kya itana toh hai mujhko pata
Khaamosh rehkar bhi woh sab keh jaati hai
Mehsus karata hoon main,
Chal phirke inn khaabon se
Ek din meri baahon mein aaogi

Falling in love with you, crazy about you baby
Falling in love with you, crazy about you baby
Tere siva koyi nahi mere dil mein basa

Dil ke kinaaron par tufaan uthaati hai
Samajhu main kya pyaar ki hai yeh kaisi saja
Palake jhapakte hi woh gum ho jaati hai
Mehsus karata hoon main,
Chal phirke inn khvaabon se
Ek din meri baahon mein aaogi.
