

I am in love, you are in love
He is in love, she is in love
I am in love, you are in love
He is in love, she is in love

Koyi hai aashiq, koyi mahabub hai
Yeh duniya kub hai
Yeh duniya kub hai
I am in love, you are in love
He is in love, she is in love

Koyi hai aashiq, koyi mahabub hai
Yeh duniya kub hai
Yeh duniya kub hai
I am in love, you are in love
He is in love, she is in love

Kahi pe romiyo juliyaat, kahi raanjha, kahi heer
Kahi shiri farahad yeh nam sabko hai yad
Kahi pe romiyo juliyaat, kahi raanjha, kahi heer
Kahi shiri farahad yeh nam sabko hai yad
Yeh nam sabko hai yad, sabko hai yad
Sabaki kahani dil se manasub hain, yeh duniya khub hai

I am in love, you are in love
He is in love, she is in love

Duniye se kya lena hai duniya ko chhodo yaro
Duniye se kya lena hai duniya ko chhodo yaro
Julfo ki bate karo hotho ke kisse chhedo
Julfo ki bate karo hotho ke kisse chhedo
Ye jindgani dil se mansub hai, yeh duniya khub hai
Yeh duniya khub hai
I am in love, you are in love
He is in love, she is in love

Kitne hain mausam lekin yeh rut hai ek suhani
Baraso ki jindgani me do din ki hai jawani
Kitne hain mausam lekin yeh rut hai ek suhani
Baraso ki jindagi me do din ki hai jawani
Baraso ki jindagi me do din ki hai jawani

Aur yeh jawani dil se manasub hai
Yeh duniya kub hai, yeh duniya kub hai
I am in love, you are in love
He is in love, she is in love

Koyi hai aashiq, koyi mahabub hai
Yeh duniya kub hai
Yeh duniya kub hai
I am in love, you are in love
He is in love, she is in love

I am in love, you are in love
He is in love, she is in love.
