You and you you only
I am so lonely i am so lonely

Tera aks dekhata hun
Main apni tanhaayi mein
Maine tujhko hai paya
Har pal dil ki gehraayi mein
Tera aks dekhata hun
Main apni tanhaayi mein
Maine tujhko hai paya
Har pal dil ki gehraayi mein
Tanaha aur akela jeevan ab
Toh jeena mushkil hain
Meri tamana meri chahat
You and you you only
I am so lonely i am so lonely
Baby i want you dream
You need you miss
You all day all night

Teri baatei karta hun
Ghar ki deewaro se
Teri khabar main puchhta
Hun subah ke akhbaro se
Teri baatei karta hun
Ghar ki deewaro se
Teri khabar main puchhta
Hun subah ke akhbaro se
Bas tere didaar ki hasrat
Ab meri aankhon ko
Tujhko chhune ki khaayish
Hain ab meri saanso ko
Meri tamana meri chahat
