Ho 3 veer vadde jaan jind utton haardi aan

Ho ho nakhre da mull poora paaun goriye  
Ho a to z country ho ghumaun goriye

Ho ho nakhre da mull poora paaun goriye  
Ho a to z country ho ghumaun goriye  
Maape taan ni jaan dinde gharon tainu bahar  
Honeymoon te paris lai ke jaun goriye

Ho jidhe utte akh meri naiyyo aam mundeya  
Bhaini aala bhaini aala khaan mundeya

Ho teri jihde utte akh naiyyo aam jattiye  
Bhaini aala bhaini aala khaan jattiye  
Mahdeyan ton change din kitte jatt ne  
Munda change naiyyo karda bayan jattiye

Teriyan main suniyan tu ik sun jatt di  
Ni bhaini aala bhaini aala phirengi tu ratt di  
Lainda interest ni hor kise kaam ch ni  
Dede security tu husna di hath di  
Dede security je husna di hath di

Ho jatti self depend na kise di mohtaj ae  
Bebe naal ghar de karide kaam-kaj ae  
Puttan jehi dheer taan hi bapu kare naaj ae  
Gidheya di rani da jatti de sir taj hai

Ho dil te dimag jatti akhaan vichon padhdi aa

Phirdi madeer badi mere pichhe lad'di aa  
Hot point jatti bhavein garmi ya sardi aa  
Milugi loyalty offer ik kardi aa

Ho jutti te zamana bebe  
Baapu kolon dardi ae  
I don't care duniya ki  
Gallan kardi ae  
Na hi wadhu kehndi aa  
Te na hi wadhu jardi aa  
Fukarpune ton kaka.
