

Teri baatein dil
Ko chhoo jaayein
Teri adayein
Gajab sa dhaayein
Kyon hai aisa
Main kyon jaanun
Lekin pyaar isko
Main na maanu

Oh girl
You are always only mine
Just want to hold you
And make you mine
It's all true but
I don't love you

I don't love you
I don't love you
What i say is really true
But i don't love you

I don't love you
I don't love you
What i say is really true
But i don't love you

Tum hi mere khayalon
Mein ho sapno mein ho
Nigaahon mein ho
Dil ki ye halat
Main na samjhoon
Lekin pyaar isko

Kaise keh doon

Oh boy you are
Always only mine
Wanna be with
You all the time
It's all true but
I don't love you

BHARAT
lyrics

I don't love you
I don't love you
What i say is really true
But i don't love you

I don't love you
I don't love you
What i say is really true
But i don't love you

Kisi roz tumse jo
Main mil na paun
Lage kuchh kami hai
Main gumsum ho jaun
Hoo tere baare mein
Sabse baatein karun
Aur akele mein
Thandi aahein bharoon

Tanha tanha main
Rehna chahoon
Lekin pyaar isko
Main na maanon
Har pal tujhse
Main milna chahoon
Lekin pyaar isko
Kaise keh doon

Oh girl you are
Always only mine
Just want to hold you
And make you mine
It's all true but
I don't love you

Oh boy you are
Always only mine
Wanna be with
You all the time
It's all true but
I don't love you

BHARAT
lyrics

Gift dene ka tujhko
Main dhoondhun bahana
Baat karne ko tujhse
Yoon hi baatein banana
Jo aaine mein khud
Ko main nihara karoon
Chupke chupke tujhko
Main ishaara karoon

Keh na paun jo
Kehna chahoon
Lekin pyar isko
Main na maanon
Jo tu hans de to
Main bhi hans doon
Lekin pyaar isko
Kaise keh doon
Oh girl you are
Always only mine
Just want to hold
You and make you mine
It's all true but
I don't love you

Oh boy you are
Always only mine
Wanna be with
You all the time
It's all true but
I don't love you

I don't love you
I don't love you
What i say is really true
But i don't love you

I don't love you
I don't love you
What i say is really true
But i don't love you

BHARAT
lyrics

I don't love you
I don't love you
What i say is really true
But i don't love you

I don't love you
I don't love you
What i say is really true
But i don't love you.
