

# I Hate Love Song Lyrics

---

Sala sala onde thappu  
Maadabeda nee bekantha  
Iru iru iru single aagi  
Badukabeku nee ninagantha

Pata pata pata dialogue hodedu  
Kaalu haakthaare jopaana  
Bisi bisi bisi business mugisi  
Bittu bittu hogthare baby na

I hate love  
I hate love

Ayyoo nemmadi  
Ellide ellidiya yaakidiya  
Friends u jothe hogidiya  
Enne ginne hodadiddiya ishte

Neenu hudgur jothe serabeda  
Olle dp haakabe da  
Kelasakkella hogabeda ishte

Devru olledu maadidorge ollede maadodu  
Adake olleya hudugurge breack up aagodu  
Love u anno khaayilege illa vacchine u

Kelo geleyaa kolu kottu  
Thinnabeda neene etu  
Maduve ninage the end o

I hate love  
I hate love

Ayyoo nemmadi ellide  
Kammi time u kodthidiya  
Care u madok marthidiya  
Thumba change u aagidiya ishte

Neenu phone u

Check u maaadabeda

Thumba doubt u padabeda  
Sumne kopa maadkobeda ishte

Aaha single u manushyane  
Endigu punyathma  
Engage aada mele elru  
Powerless u prethathma  
Hendthi seve madodakke  
Love e training u

Kelo geleya matte matte  
Love u andre aathmahathye  
Koduve final warning o

English u jothe fight u maadi  
Banthu deshakke freedom u  
Love u givvu maduvene adanu  
Matte kalkollo system u

Thara thara thara change aagode  
Ella hudugara problem u  
Bittu hoda mele beer u kudadhu  
Namma baikollod khaayammu

I hate love  
I hate love.
