

I just wanna fly
Josh hai junoon hai, sine mein hai dum
Meri yeh jindagi meri hai sun lo tum
Hausala hai buland i don' t give a down
Its my life, its my world, i dont give a
Josh hai junoon hai, sine mein hai dum
Meri yeh jindagi meri hai sun lo tum
Hausala hai buland i don' t give a down
Its my life, its my world, i dont give a
I just wanna fly, into the sky
Mera aasmaan, hai mera jahaan, i just wanna fly
I just wanna fly, so way so high
Bandisho se tum roko na mujhe, i just wanna fly

Jo chaahe woh karu, hai mera dil bekhauf
I choose my destiny, jamaana hai mere saath
If the moon doesn' t go with me, i' ll change the sunlight
Mujhe hai yeh yakeen ha
I just wanna fly, into the sky
Mera aasmaan, hai mera jahaan, i just wanna fly
Ho o o o ho o o o ho o o o

Shikaayat na hai kisi se, just let me live my life
?? Na hai khuda ki, its always be my ??
Badlana hai mujhe duniya ki rasm ko
Chaaho toh saath chalo ha
Josh hai junoon hai, sine mein hai dum
Meri yeh jindagi meri hai sun lo tum
Hausala hai buland i don' t give a down
Its my life, its my world, i don' t give a
I just wanna fly, into the sky
Mera aasmaan, hai mera jahaan, i just wanna fly
I just wanna fly, so way so high
