

I one love four you three
I one love four you three
Bolo one four three yaane
I love you, bolo one four three
I love you huwa puraana
I love you huwa puraana
Yeh naya hai jamaana
Yeh naya hai jamaana
Nayi nayi baat karo,
Jab bhi mulaakaata karo
Hur ho ya pari
I one love four you three
Bolo one four three yaane
I love you, bolo one four three
I love you huwa puraana
Yeh naya hai jamaana
Yeh naya hai jamaana
Nayi nayi baat karo,
Jab bhi mulaakaata karo
Hur ho ya pari
I one love four you three
Bolo one four three yaane
I love you, bolo one four three

BHARAT
lyrics

Aaj naya hai naam,
Toh kal yeh puraana hoga
Har ek aahiq iss naam ka
Deewaana hoga
Hamse milaa lo nazar,
Tumhaare aashiq hai hum
Jaan jo maango denge
Tumhe tumhaari kasam
Hum hai tumhaare, dil bhi tumhaara
Humko tumhaare roop ne maara
Hum hai tumhaare, dil bhi tumhaara
Humko tumhaare roop ne maara
Bolo tum one four three

Bolo tum one four three
Kaho one four three yaane

I love you, bolo one four three

Surat hai na hai shakal,
Kehata hai one four three
Haan one four three
Aao milake sabak isse sikhaaye abhi
Paagal deewaani hai, aashiq aawaara hai tu
Dekhi jo har ladki chakkar chalaata hai tu
Pyaar mohabbat yeh jaanata nahi
Aashiqi hai kya pehachaanata nahi
Pyaar mohabbat yeh jaanata nahi
Aashiqi hai kya pehachaanata nahi
Kyun bole one four three
Kyun bole one four three
Bolo one four three yaane
I love you, ho bolo one four three

Ladki hai tu bijali, sola hai teri umar
Gore gore gaal hai, patali hai yeh teri kamar
Haan baaton mein teri mujhe aana nahi ja re ja
Tu ja re ja pichha
Mera tu chhod de maan mera kahaan
Dil se mila le dil ko woh jaani
Do chaar din ki hai yeh jawaani
Dil se mila le dil ko woh jaani
Do chaar din ki hai yeh jawaani
Keh do na one four three
Keh do na one four three
Baaba one four three,
Achchha one four three
Maana one four three
I love you huwa puraana
I love you huwa puraana
Yeh naya hai jamaana
Yeh naya hai jamaana
Nayi nayi baat karo,
Jab bhi mulaakaata karo,
Hur ho ya pari
Bolo tum one four three
Bolo one four three, kaho one four three

Bolo one four three, kaho one four three
One four three, haan one four three
One four three, haan one four three
One four three, bolo one four three
One four three, bolo one four three.
