

Ice Katti Kuruvi Song Lyrics

Ice katti kuruvi
Urugi urugi paarthutu pogayila
Kalilla tharayila
Minmini kannazhagi
Simitti simitti kannala pesayila
Ennala mudiyala

Una parkum munna sodhapala thirunjen
Una paartha pinna kalakkala maariten
Mayile un smile-u vitamin-u tharum veyilu
Adada un ezhilu aalamara nizhalu

Adangama unnai vattamittu alaiyum manasu
Alattama oru murai nee sirichu pesu
Rasagula paarvai tharuthe bodhai

Devathai sapidum bodhu
Sindhura parukka meedhu
Erumbaaga aasai vaanavil aaguthu meesai

Lesu nee paarka
Adha naanum rasikka
Day aachu night-u
Thookkam kilo enna rate-u

Neyum naanum kai koorthu pona
Parkum suvarellam pookkum
Neyum naanum thozh sainthu pesa
Vaanam ottu ketka varam ketkum

Hi sollayila idhayam kuthikume
Bye sollayila silaiya nikkume
