

# ICE Lyrics

---

Seedhe maut you know for the while  
Hai maata ke kaano pe ice  
Band kare studio mein banger hum  
Hum mangvaare blinkit se playstation 5

Studio mein feeling alive  
Tabhi kya lv mein rakha tha knife  
Aaye seedhe maut you know who dies

Shittin' the fan jab mila ni fam se  
Kepping it real i'm good  
Bharatlyrics.com  
I sit with gang sab baithe jhaanjh mein  
Karte jaaye plan aur cook

I got the game all shook  
Haan rakhu main lavde pe fame hoon book  
Abhi main pain hoon khud  
Jo chahiye tha baave vo change hoon khud

Par ab bhi hai venue kuch jhaantu  
Jo time par ek artist ko paisa ni dete  
Aur ek hum hai artist hai zindagi  
Stage waha chadhne ka bahaana hi dekhe  
Yahaan launde kuch zyada hi phenke  
Main rakhu do chele jo khaali lapete

Khatam hai saari debate  
Jab aa jaata bhai tera tension ni lete aanh  
Kavi yahaan aise hi ni kehte aanh  
Kavi kuch aise hi ni kehte  
Woh sochein hum randi mein rehte  
Woh sochein hum kare vahi antar hai bete

Woh sm ke jungle mein kaid hai  
Kaala dhan beamer safed hai  
Aaya deep fuck up the game hai  
Tera bhai seedhe maut" kavi ka khel hai aanh

Seedhe maut you know for the while  
Hai maata ke kaano pe ice  
Band kare studio mein banger hum  
Hum mangvaare blinkit se playstation 5

Kaam aur doubly nice  
Double hai knife to double hai life  
W fans aur w rise  
Wagonr bhaage hum andar le vibe

Woh bole "phatari hai ab jaake likh"  
Ginte tum dono hamesha amazing  
Yeah we were hurt in plain sight caste discrimination  
School mein samajh nahi aata tha hoti kyu hai ye saali reservation?  
Ghoomte jab desh to samajh mein aaya ki lot of kids miss education

Na hai tu putra mera to jaan-na kyu chahta hai sotra mera?  
Abhi to mile hai tu hume jaan-na kyu chahta hai goutra mera?  
Karmo se jaane karmo se pehchaane to vo hoga moksha mera  
Raaton ko likhe hum gaane to jaage hue dekhe roz savera

Na upar na neeche na jaati na paati yahaan mera koi neta  
Mera bhi dost ni hai  
Tu kahe "chalo delhi" lekin tu neta ji boss ni hai  
Kisi ko ghanta afsos ni hai  
Shaayad yahaan pe mere jaise log ni hai  
Bas seekha yehi hai bado se to ye unki aadat ye unka dosh ni hai

Naya zamaana na jaat-paat  
Aa saath baith khaa daal-bhaat  
Badha baat-cheet aur saath-gaath  
Thodi baat thaath thode thaath-baat  
Badha khaat-khaat  
Kya hai paani piya aur khaya khuda ka khauf  
Duniya mein khaali do hi hai do  
Achhoot un dono ke naam hai seedhe maut

Seedhe maut you know for the while  
Hai maata ke kaano pe ice  
Band kare studio mein banger hum  
Hum mangvaare blinkit se playstation 5

Kaam aur doubly nice  
Double hai knife to double hai life  
W fans aur w rise  
Wagonr bhaage hum andar le vibe
