Iddari Gundela Paina Lyrics

Needhena alalesina tholi alajadi naalona
Neethona munuperagani madhurima chali choosthunna

Edhedho ayipothu unna baagundhe naalona
Thosaave nee lokamlona vimante edhenaa
Telusaa telusaa nee pere rojuantha
Thalache kathalo ilaa ilaa vente vasthunna

Hey iddari gundela paina
Thiyya thiyyani oohala vaana
Kuristhunnadhi vinthagaa unna
O kammani oopir lona

Manasu pilupu valana
Idi kammuku vachchinadhaina
Thana allari enthatidhaina
Aha nachchindi chilipi prema

Untaale kadadhaaka
Idhigo cheyyi andhuko
Vasthaane kaadanaka
Adugai nadipinchuko

Ippude chadivaa choopunna subhalekha
Kanuke cheliyaa
Paadham choodu rekka kattindhe

Hey iddari gundela paina
Thiyya thiyyani oohala vaana
Kuristhunnadhi vinthagaa unna
O kammani oopir lona

Manasu pilupu valana
Idi kammuku vachchinadhaina
