

Idhayam Ulle Vaa Lyrics

Satham indri mutham idum
Vithaigalai kathu konden
Suthi suthi paarthu konden
Muthamida othu konden

Yekkachekka echarikkaigalin utchathil
Moochu vida neram illai
Appoludhum satham indri mutham ida
Kathu konden

Kaikkettum dhoorathil
Kall konda payanathil
Kanne nee illaamal
Kanne naan ennaaven

Theevukkul theevaaga
Porukkul poovaaga
Poothaal naan ennaaven

Idhayam ullae vaa
Idhazhalai ingae thaa
Idhayam ullae vaa

Idhazhalai ingae thaa
Idhayam ullae vaa...haaa
Idhazhalai ingae thaa....aaaa

Satham indri mutham idum
Vithaigalai kathu konden
Suthi suthi paarthu konden
Muthamida othu konden

Yekkachekka echarikkaigalin utchathil
Moochu vida neram illai
Appoludhum satham indri mutham ida
