

Idhu Enna Song Lyrics

Idhu enna pudhuvudha anubavam
Ivalukkal nadakkudhae adhisayam

Idaiveli kuraigiradhae
Idham idhamaai irukkindradhae
Idha enna pudhuvudha anubavam
Ivalukkul nadakkudhae adhisayam

Dhinam ival paarvaiyil paduvathu sugam
Idhu podhumadi idhuvarai irundhitta
Thayakkamum idhuva
Idhuvarai arindhida
Mayakkamum idhuva

Ival kidaithaal
En thugar thudaithaal
En kanavilum ninaivilum nilaithu vittaal

Ivan mugathil
En idhazh padhithaen
En serukkugal anithaiyu vudaithu vittan

Kallaai naetru theruvini kiandhaen
Kannaal paarthu sedhukku vittaal
Mullaai naetru therindhavan vazhiyil
Poovaai indru therindhu vittaen

Irandu thuruvam indiyuma
Inaiyudhae inidhaai

Adi vizhalaam
Or idi vizhalaam
Naan ival tharum vali enil poruthiduvaen

Ivan madiyil
Naan vizhundhu vittaen
En iyalbugal muzhuvathum tholaithu vittaen

Maanja noolil malligaipoo thodutu
Rojavaasam koduthu vittaal
Sellaakaasu ena ivan therindhaan
Ellaamaaga maari vittaen

Ninaithadhellaam nadakkuma
Nadakkudhae enakku

Idhu enna pudhuvudha anubavam
Ivalukkal nadakkudhae adhisayam.
