

Idhu Pola Song Lyrics

Kondrathu nee thandannai enakku
Nee illa ulagil vaazhkai irukka

Idhu pola valium unda
Indre naan kanden
Nee poona valaivil thaane
Thanney naan nirkindren

Ulagellam sundi otrai pulli
Aagum naalaache
Ul udhiram kooda kanneeraagi
Veliye poyaache

Naan endru edho ninnaaney
Ellam unnodu
En pol kadhal seiya
Yaaro mannodu

Ninaivugalil theekulithen
Marandahalum meendum
Undhan mugame vandhaadum
Irandhalum saambal kooda
Unnai kondaadum

Nam pillaikaaga perai vaithen
Naanum unnodu
Adhi sollum munne
Neeyum ponaai vaazhve mullodu

Thooram illai thunaaium illai
Kulappam kodukaathey
Ini maranam illai marunthum illai
Naduvil niruthathey

Nijam pola pinne vandhu
Nilazhaalagi pogadhe
Kadhal pole kaadhal thandhu
Adhai kanner aakadhe

Ennai vittu sellaamal uyir pogudhu
Nee thotta idam ellaam karai aaguthe
Andha mazhi kaalam
Adhu thirumbathaa
