

Oh tera kithe hai haath hath wich loha bhareya
Oye kaka tera kithe hai paath lagdiya todan ehdiya
Socheya si main tod dunga par tu vi mera jiddan
Oh jigra jittiyan di loki gallan karde
Circus wich nachde ni peedh jehde

Oh tu tu paak nu idol manndi
Jatt da sanjhe taan tu rat kudiye
Pehre murre kitthon khad de
Tu thodi bhag diye

Ae ae ae ae ae ae
Ae ae ae ae ae ae
Ae ae ae ae ae ae
Ae ae ae ae ae ae

Oh tera kithe hai haath hath wich loha bhareya
