

Tumko chuley jo hawaa
Usse chunaa chahun main
I don't wanna go wo
Make castles in the sand

Tu jo sang chaley
Na hongey tannha raaste
I am gonna love you
Like no one ever can

Ki kab takk mein rahoon akeley
You know i need you by my side
Ki kab takk mein jeeun akeley
That one thing i have realize

If you hold my hand
Badal jayegi meri duniyaa
If you hold my hand
Toa miljayengi sabhi khushiyan

If you hold my hand
Nikharr jayegi meri duniyaa
If you hold my hand
O baby i will never let you go
Oo oo oo...

Gone enough for me
Gone enough for me
Got me on my knees
On my knees

Oo..oo
You gone enough for me
You gone enough for me
You got me on my knees
Full night

Heey mujhko milljaao jo tum toa
Tumko sarankhoon pe rakhlungaa mein
Baby i be there for you forever
Kahetaa aaya hun mein telling again

Heey mujhko milljaao jo tum toa
Tumko sarankhoon pe rakhlungaa mein
Baby i be there for you forever

Kahetaa aaya hun mein telling again
Ye yee..

Tu jaane na ye
How i need you
Like a bird is looking for the sky
Mein jaanu teri binn kya hoon
Oo baby i am just another guy

If you hold my hand
Badal jayegi meri duniyaa
If you hold my hand
Toa miljayengi sabhi khushiyan

If you hold my hand
Nikharr jayegi meri duniyaa
If you hold my hand
O baby i will never let you go
Oo oo oo...
