Thanalaay varunnavan neeye

Karalinte kadalaasu
Pothiyile chinthakal
Ariyathe thottavan neeye

Orumichu naam nadakkunnoraa nerathu
Orupaattu koottinundayirunnu
Orupaattu koottinundayirunnu

Oruvaakku mindaathe
Mounamaay ethrayum
Kavitha naam kayy maariyille

Akale pirakkum
Pularkaala sooryanaay
Niraye kinaavu kandille
Niraye kinaavu kandille.
